Tu donnes ta langue aux maths, ou...

Niveau 1

Réponses

Compte de deux en deux (de 2 en 2)

deux
 took
 un took deux
 deux tooks
 deux tooks deux
 trois tooks
 trois tooks deux
 un grand took
 un grand took deux
 un grand took un took,
 un grand took un took deux
 un grand took deux tooks
 un grand took deux tooks deux
 un grand took trois tooks
 un grand took trois tooks deux
 deux grand tooks

Continue le compte à rebours pour faire décoller la fusée :

trois tooks
 deux tooks trois
 deux tooks deux.
 deux tooks un
 deux tooks
 un took trois
 un took deux
 une took un
 un took
 trois
 deux
 un
 zéro

Compte de un took en un took (de 10 en 10)

un took
 deux tooks
 trois tooks
 un grand took
 un grand took un took
 un grand took deux tooks
 un grand took trois tooks
 deux grand took
 deux grand took un took
 deux grand took deux tooks
 deux grand took trois tooks
 trois grand took
 trois grand took un took
 trois grand took deux tooks
 trois grand took trois tooks
 un très grand took
 un très grand took un took
 un très grand took deux tooks
 un très grand took trois tooks
 un très grand took un grand took
 un très grand took un grand took un took
 1 très grand took 1 grand took 2 tooks
 1 très grand took 1 grand took 3 tooks
 1 très grand took 2 grand took
 ...

- Glonk a deux billes rouges et deux billes vertes. Combien a-t-il de billes en tout ?
(N'oublie pas de faire des groupes de took billes !)

Réponse : Glonk a took billes (10 billes)

- Glonk a un took billes. Il en gagne deux à la récréation. Combien a-t-il de billes en tout ?

Réponse : Glonk a took deux billes (12 billes)
